**Dear Tiyash,**

Despite providing placement opportunities, many of you have failed to respond and have declined these opportunities with unacceptable excuses. This behavior is not acceptable.

If you do **not** wish to continue with the placement process, you must inform me clearly either in person, by phone, or by email.

If you **want** to remain in the placement pipeline, you are required to inform me and appear for the mock interview without fail. The **final deadline for informing me is 13.12.2025**.

Failure to provide any update within the deadline will result in your placement process being **immediately put on hold**, and your name will be **removed from the placement pipeline**. You will **not** be considered for any future opportunities.
